About This Game

Paintey is a freeform do whatever you want painting simulator!
You can paint everything from your face to the entire environment.

Key features:

- Paint all the things!
- Paint balloons!
- Googly eyes to stick onto anything!
- An innovative (Optional) climbing locomotion system!
- Birds!
- Twitch chat integration! - Optionally spawns users from your twitch chat into the game.

Coming soon:

- More levels

- More interactivity overall
- Multiplayer!
- Time trial mode?

Paintey does not have any sort of predefined goals, you just have fun and mess around!

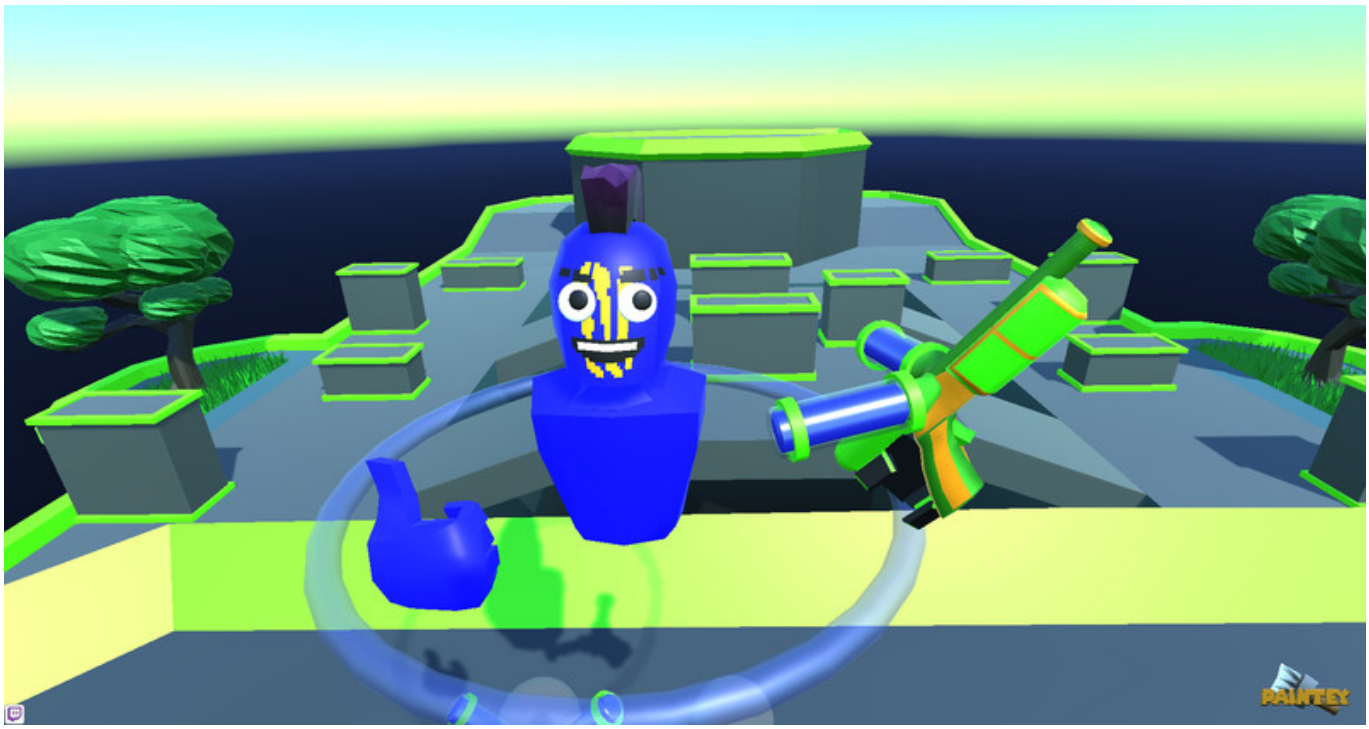
PAINTEX



PAINTEX

its fun and a sress releff. Silly game, but is a product of it's time. Probably not worth it to most people anymore except younguns
